BVCHC Annual Board Meeting

Save the Date

Postponed Until Spring

Mask REQUIRED

Effective January 10, 2024

***Patients will be screened and
are required to wear a mask at all our locations.***

You can still get a COVID-19 vaccine and a flu vaccine at the same time if you are eligible, and the timing coincides.

Even though both vaccines can be given at the same visit, people should follow the recommended schedule for either vaccine: If you haven't gotten your currently recommended doses of COVID-19 vaccine, get a COVID-19 vaccine as soon as you can, and ideally get a flu vaccine by the end of October.
