Reminders

***Patients will be screened and
are **required to wear a mask** at all our locations.***

You can still get a COVID-19 vaccine and a flu vaccine at the same time if you are eligible, and the timing coincides.

Even though both vaccines can be given at the same visit, people should follow the recommended schedule for either vaccine: If you haven't gotten your currently recommended doses of COVID-19 vaccine, get a COVID-19 vaccine as soon as you can. To learn more, [click here](#).
