The Molar Express expands to Pawtucket & Central Falls

Blackstone Valley Community Health Care in partnership with Delta Dental of RI, East Bay Community Action Program and Comprehensive Community Action Program Inc. officially celebrated the expansion of the Molar Express this week with a ribbon cutting ceremony at our location in Central Falls.

This exciting partnership will bring dental care directly to students in both Pawtucket and Central Falls, helping children who may not otherwise have access to a dentist or who have never received dental care. To learn more about the Molar Express, [click here](#)
